

TIME OF YEAR — January is the month for paying Livingston County and town taxes. Sydney Smith of 7 Knox St. was among the first to make his payment. Here he waits for his receipt from North Dansville Town Tax Collector Jean DeLong. Property owners have until Jan. 29 to make payments. After Feb. 1, a penalty of one percent is levied on the amount due. In March, that cost increases to two percent and three percent on Apr. 1. In April, the list of unpaid taxes is turned over to the county for collection.

Our People!!

Quite frankly, even the best price doesn't make for the best deal. Other considerations such as how well you are treated by your salesman and how quickly you can have your car serviced are very important too!

At Ideal Chevy-Olds, I am so proud of my employees for being the best in the area. I hope you can stop in so that we may show you.

P.S. We also have the lowest prices too!!!
